

Sandbox

This page is a sandbox that is meant to be used for testing. Please leave this heading alone, but feel free to test things out below.

To test out the AbuseFilter:

Text to add	Expected action	Filter
Idiot	Edit will be disallowed immediately	Special:AbuseFilter/1
Dumb	Warning will be shown, and upon resubmission the edit will be disallowed	Special:AbuseFilter/2
Problematic	Warning will be shown, and upon resubmission the edit will have a tag added to it	Special:AbuseFilter/3
Controversial	Tag will be added	Special:AbuseFilter/4
Mistaken	Warning will be shown, but upon resubmission the edit will go through normally	Special:AbuseFilter/5
